Welcome to your new train timetable

The investment we are making now will transform Scotland's Railway for years to come. We're introducing brand new electric trains, creating an InterCity network with our high-speed trains, and upgrading many of our existing trains to make them as good as new. This will mean more seats, faster journeys, and even better services. We are also upgrading our stations, rolling out our queue-busting Smartcard, and transforming how we get information to our customers.

The 7,500 people across the ScotRail Alliance are working day and night to deliver this investment and build the best railway Scotland has ever had.

Edinburgh – Fife 6-34

Seat reservations

Reservations are free when you buy an appropriate ticket for a reservable ScotRail service and are available up to 12 weeks in advance. Please note that not all ScotRail services are reservable.

Buying your ticket

You'll always get the best fare if you buy your ticket before boarding your train. You also remove the risk of having to queue for a ticket at busy times when you get off. Find out the different ways to buy your ticket at www.scotrail.co.uk/buy-before-you-board

Assisted Travel

If you would benefit from a little extra help when using our services, you can arrange assistance by calling 0800 912 2901 (or Textphone 18001 0800 912 2 901 if you are hard of hearing), completing the online booking form on our website, or visiting any ScotRail staffed station. Further information is available on our website located in the section Your Journey/Accessible Travel. You can also pick up a copy of our Disabled People's Protection Policy: Making Rail Accessible - Helping Older and Disabled Passengers; from any of our staffed stations.

Public holidays

Some services may alter on public holidays. Please check our website before travelling.

Edinburgh Trams and Glasgow Subway

Full times of Edinburgh Trams and Glasgow Subway can be accessed at www.travelinescotland.com/subway-tram-operators

Cycles

We carry cycles free on our trains. Reservations are required on some longer distance routes and can be made online at www.scotrail.co.uk, by calling 0344 811 0141, or at many ticket offices. Our Bike & Go cycle hire scheme is also available at selected stations. Find out more, including routes where a cycle reservation is required, at www.scotrail.co.uk/cycling

Connections

In our timetables, connections are displayed in light italics and, unless otherwise shown, customers should change at the previous / next train time shown in bold type. If you're changing trains, please allow adequate time for your connection. A special cross-city bus service between Glasgow Queen Street and Glasgow Central is available, free to valid ticket holders. For full information on travel connections, pick up our Travel Connections Guide at staffed stations, or visit www.scotrail.co.uk/travelconnections

Help us to make your journey as safe as possible

Ensure that you give yourself enough time to catch your train and never try to board or leave trains while doors are closing – please note that train doors close 30 seconds prior to departure time. Remember to mind the gap when boarding and alighting. Please take the time to read the safety notices on-train and keep your luggage with you at all times.

Please note that trains may divide en route – check with staff that you are in the correct portion of the train.

Smoking, vaping or using e-cigarettes is not allowed on any of our trains or stations, this includes all toilet and platform areas.
