Welcome to your new train timetable

The investment we are making now will transform Scotland’s Railway for years to come. We’re introducing brand new electric trains, creating an InterCity network with our high-speed trains, and upgrading many of our existing trains to make them as good as new. This will mean more seats, faster journeys, and even better services. We are also upgrading our stations, rolling out our queue-busting Smartcard, and transforming how we get information to our customers.

The 7,500 people across the ScotRail Alliance are working day and night to deliver this investment and build the best railway Scotland has ever had.
