Welcome to your new train timetable

The investment we are making now will transform Scotland's Railway for years to come. We're introducing brand new electric trains, creating an InterCity network with our high-speed trains, and upgrading many of our existing trains to make them as good as new. This will mean more seats, faster journeys, and even better services. We are also upgrading our stations, rolling out our queue-busting Smartcard, and transforming how we get information to our customers.

The 7,500 people across the ScotRail Alliance are working day and night to deliver this investment and build the best railway Scotland has ever had.

Seat reservations

Reservations are free when you buy an appropriate ticket for a reservable ScotRail service and are available up to 12 weeks in advance. Please note that not all ScotRail services are reservable.

Buying your ticket

You'll always get the best fare if you buy your ticket before boarding your train. You also remove the risk of having to queue for a ticket at busy times when you get off. Find out the different ways to buy your ticket at www.scotrail.co.uk/buy-before-you-board

Help us to make your journey as safe as possible

Ensure that you give yourself enough time to catch your train and never try to board or leave trains while doors are closing – please note that train doors close 30 seconds prior to departure time. Remember to mind the gap when boarding and alighting. Please take the time to read the safety notices on-train and keep your luggage with you at all times.

Please note that trains may divide en route – check with staff that you are in the correct portion of the train.

Smoking, vaping or using e-cigarettes is not allowed on any of our trains or stations, this includes all toilet and platform areas.

Delay Repay

You may be entitled to compensation if your journey has been delayed for 30 minutes or more. Please visit www.scotrail.co.uk/delay-repay for more information.
