The West Coast Partnership: welcome on board

Welcome to the West Coast Partnership. We are proud to be the new operator for the West Coast Partnership. The partnership is owned by First Trenitalia, a joint venture of FirstGroup and Trenitalia, and will run for at least the next 11 years. And as Virgin Trains comes to an end, we would like to welcome their teams joining us for the journey as we continue to pioneer exceptional service as standard for our customers.

At FirstGroup and Trenitalia, we all share the same passion for driving the West Coast rail experience forward. So we are putting our perfectly paired skills and experience – plus the expertise and knowledge from our Virgin Train colleagues – to good use, to launch this ground-breaking new franchise.

The West Coast Partnership has two teams moving things along. Avanti West Coast is our customer-facing brand. And West Coast Partnership Development is working side by side with the Department for Transport (DfT) and HS2 Ltd. Together, we will design and develop high-speed trains we can run on its infrastructure – getting our customers where they want to be even faster.

We are on a mission to run a railway that generates prosperity and pride, nationwide. Our plans will build on the achievements of our colleagues so far.

Avanti West Coast will refurbish all Pendolinos so that they feel like new trains to our customers; 25,000 new comfortable seats will be installed across our existing trains; and brand new electric and bi-mode trains will replace the Voyagers. On board, customers will see better catering with household brands as well as free faster and reliable Wi-Fi.

New destinations will join our network – such as Liverpool South Parkway, Gobowen and Walsall – and existing ones such as Liverpool and Motherwell will enjoy a far better service. All in all, we will run an extra 263 services each week from December 2022.

We open our doors on 8 December 2019, running long-distance services on what will be an iconic railway the country can be proud of. And with outstanding customer service too. We are Britain's premier long-distance railway and a vital economic artery for the UK, brought about by the dedication and hard work of our teams.

As we set off for the West Coast, we are honoured to have the chance to shape history, with a revolutionary railway for our customers and stakeholders.

Welcome to West Coast Partnership. Welcome to the future.

Welcome to your train timetable for all Avanti West Coast routes

This booklet lists all our train times for services on our Avanti West Coast routes. It's simple, clear and precise and will make your journey planning as easy as possible.

Our West Coast services are divided into six routes, using lettered codes A-F and different colours to identify each route.

- A** Euston - West Midlands - North West & Scotland
- B** Euston - Birmingham - Wolverhampton - Shrewsbury
- C** Euston & West Midlands - Chester & North Wales
- D** Euston - Stafford - Crewe - Liverpool
- E** Euston - Manchester via Stoke-on-Trent or Crewe
- F** Euston - North West & Scotland

In this booklet, routes A & B are shown together to provide a summary of services to the West Midlands and routes A & F are shown together to provide a summary of services to Scotland.

More than just A to B

Our trains aren't just the most stylish way to get around. They also have everything you need for the journey, from fully stocked shops to onboard Wi-Fi and of course, our amazing team.

If you need a bit of peace and quiet, make sure you choose a seat in our dedicated Quiet Coach when you book (Standard only). Or if you prefer to chat, the great news is we've boosted the mobile strength on all our trains. Not so great if you like using the 'I'm going through a tunnel' line on your boss.

We're all about giving back. That's why our trains have features like 'regenerative braking' which returns power to the National Grid when the brakes are applied.

Give yourself the First Class treatment

Why not try our First Class service? All our seats have extra leg room, a table and plug points as well as free Wi-Fi and on weekdays a complimentary at-seat food and drink service. So whether you're answering emails at 125mph or just watching the world go by, sit back, relax and enjoy the journey.

At weekends you can upgrade to First Class for a small fixed fee - just speak to the Train Manager onboard. And remember, you can also enjoy our First Class Lounges at the stations below.

- London Euston
- Manchester Piccadilly
- Birmingham International
- Birmingham New Street
- Liverpool Lime Street
- Glasgow Central
- Crewe

Find sanctuary from the crowds, log on to the free Wi-Fi or just grab a complimentary coffee.

On your bike?

We love cycling in all its forms. Whether you're a budding Chris Hoy, a clever commuter, or just heading off for a spin in the country, we've space for your two-wheeler. You'll need to book in advance and allow yourself enough time to walk to coach A and load your bike in the dedicated space. Remember to pick up a bike tag from the station ticket office, it lets our onboard team know how far your bike is riding with us. To make a reservation when buying your ticket, call **0345 528 0253**. If your bike folds up, it can travel for free – no reservation required.

Bags of room

Whether you're travelling light or on the road with your orchestra, there should be room for everyone. **You can bring:**

- One item of hand luggage that can fit on your lap.
- Two larger items of luggage, each not exceeding 30 x 70 x 90cm in size.

JourneyCare is our service for those with special requirements. **It helps us to:**

- Arrange assistance
- Help you on and off the train
- Reserve seats and wheelchair spaces
- Provide detailed rail information to you
